Berlin

A capital of the "extra class"
The capital of Germany with the 3.5 million inhabitants is the largest city in the country and reflects intensively the concentrated history.
In addition to the historic sites, Berlin offers a host of other highlights worth seeing: world-famous buildings, museums, city parks, festivals and, of course, many shopping opportunities. Berlin's Nightlife is just as unique.
One of our absolute must do's is the Trabbi Rally through Berlin. Experience the city in a slightly different way and still enjoy the cultural sights such as the Bundestag, the Brandenburg Gate or the Red Town Hall.
Berlin is easily accessible by plane from all over Germany.
We are happy to take over the complete organisation of the incentive
